

# Sharps Pocket Shuttle

Taylor Healthcare Products, Inc. continues as the industry leader in quality, innovation and customer service!

The Taylor Sharps Pocket Shuttle is a cost effective, easy to use, safe option for the disposal of used IV catheters, needles and small syringes.

- Designed for safety with a leak proof locking cap and puncture resistant material
- Ideal for portable use by EMTs, first responders and home healthcare professionals
- Easy to use one hand operation
- Light weight and compact enough to fit in a pocket or med-pouch
- Safe disposal of sharps and used syringes
- Reduces the risk of needle sticks
- Translucent tubing allows for a view of contents
- Secure locking cap for final disposal
