

# Tissue Poly

Taylor Healthcare Products, Inc. continues as the industry leader in quality, innovation and customer service!

Taylor Healthcare's series of tissue poly EMS components provide you with the highest quality disposable accessories to ensure the comfort, warmth and protection of your patients and equipment.

- Versatile and cost effective
- Soft linen-like fabric maximizes patient comfort
- Reduces the risk of cross-contamination
- **Flat Sheets** – absorbent and provide privacy
  - Tissue coat absorbs and contains fluids quickly
  - Poly protects and adds a layer of strength
- **Yellow Emergency Blankets** – soft but tough
  - Weather-barrier blanket
  - Protects patients
  - Retains body heat
  - Acts as a tarp at accident scenes
- **Pillow Cases** – specially designed for patient comfort, protection and strength
  - Tissue layer quickly absorbs fluids
  - Impervious poly layer protects the patient
  - Holds fluids; alternative use as bile containment
