

Your patients will appreciate the soft warmth, superior comfort & generous coverage provided by Taylor Healthcare's Polar Fleece Blankets.

- **First Comfort™** – Provides protection & warmth while adhering to budget guidelines.
 - **Feather & Light Weight** – Perfect for providing warmth & protection in milder climates.
 - **Medium & Heavy Weight** – Ideal for providing warmth & protection in mild or cold climates & patients needing extra warmth.
 - **Taylor Spa™** – Introducing our premier line of silky smooth, luxury Ultra Plush blankets.
 - **AllWeather** – Nylon outer layer protects against weather while the soft fleece inner layer keeps you warm. Medium weight fleece layer is treated to prevent pilling.
 - **First Responder** – Performs well in any climate & is treated with anti-pilling technology for durability.
- Blankets' edges are either bound, hemmed, serged or precisely laser cut to size
- Either vacuum sealed or individually packaged
